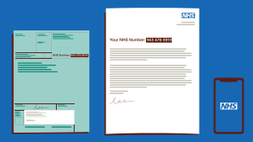
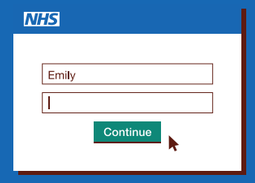
DO YOU ALREADY HAVE AN NHS NUMBER?

If you have an NHS number, and are registered with a GP, you can already book your vaccination date.



You don't remember your NHS number? It can be found on your prescriptions, on letters from the NHS, or in the NHS app.



You can also look it up by entering your name, date of birth and postcode on the NHS website.

nhs.uk/nhs-services/online-services/find-nhs-number/

YOU DON'T HAVE AN NHS NUMBER?

You can get an NHS number with the help of your family doctor – also known as General Practitioner (GP).
How to find the nearest GP? By using the search tool on the NHS website.

nhs.uk/service-search/find-a-GP

Once found, register with a GP surgery free of charge by either calling your local GP practice or visiting their website.

nhs.uk/nhs-services/gps/how-to-register-with-a-gp-surgery/

You don't need any proof of address or immigration status, ID or an NHS number to register.
Your information will not be passed onto police or immigration officers.

Do you still need help to register with a GP? Simply print or download on your device these GP access cards from the Doctors of the World website to demonstrate your right to be registered.

doctorsoftheworld.org.uk/gp-access-cards/

Your registration request was rejected? Always remember that all patients in England can call Doctors of the World or NHS England for help.

Once you have registered with a GP and received your NHS number by post, you can book your appointment.

HOW TO BOOK THE VACCINATION?

By visiting the NHS website, by calling the helpline on **119** or by contacting your GP practice.

nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/book-coronavirus-vaccination/

Please remember that only after 2 doses of the vaccine you will get maximum protection, so book both appointments at the same time.

What happens if you have tested positive for COVID-19? In this case, please wait 4 weeks from the date you had the test before booking an appointment.
