

Psychiatry Volunteer Role Profile

Role Title: Psychiatry Volunteer

Reporting to: Clinical Lead

Where will you be based: This role can be fulfilled in a remote capacity

Commitment requirements: 2 sessions per month for a minimum of 6 months

Why you?

If you are a fully qualified Psychiatrist, if you are friendly, empathetic, a good listener and passionate about upholding the human right to healthcare, this role could be a great fit for you!

Our organisation advocates and liaises with NHS service providers to link service users to the care they need. There is a need for psychiatry policy and pathway support for our leadership team as the service develops to remain responsive to developing needs.

What you will be doing

Providing expertise regarding the management of mental health for our service users through helping to develop robust policies and pathways. Involvement in developing educational material for our volunteers.

Providing advice and support to the clinical lead and operations team to ensure we remain responsive and reactive to emerging changes in healthcare or service delivery.

Skills and requirements

Full GMC registration and license to practice.

Current clinical practice providing psychiatry advice in a clinical setting.

Certificate of Completion of Training (CCT) for Specialty Training in Psychiatry and be on the GMC specialty register.

Experience working with people excluded from healthcare is beneficial.

Non-judgmental attitude towards patients from diverse backgrounds.

Commitment to work in accordance with the principles and values of the Médecins du Monde network.

Fluency in English.

Good social and communication skills.

To apply, please send your CV and Cover Letter to: volunteeradmin@doctorsoftheworld.org.uk

All candidates must be based in the UK.

The HR onboarding and induction process may take several weeks. Please take this into account when applying, to make sure that our minimum commitment request matches your availability.
